- Sending supplies to deployed servicemen

Projects funded by donations

West Virginia Gold Star Mothers

A 501C-3 organization
and an affiliate of
American Gold
Star Mothers

Gold Star Pins

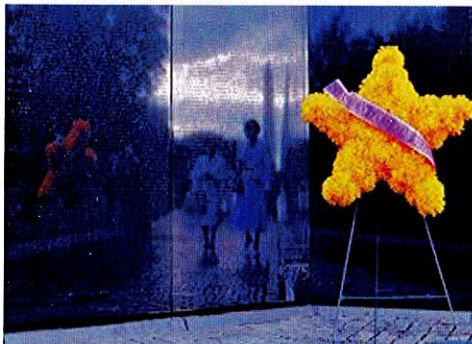

Our Organization

The West Virginia Gold Star Mothers organization was reestablished in the fall of 2012. It is an affiliate of the American Gold Star Mothers, an organization of mothers who have lost a son or daughter due to defending our country, either in combat or as a result of that service.

Since 2001, there have been 38 West Virginians to die in battle or as a result of their service. However, the West Virginia organization includes families that have moved from other states or have lost family members other than killed in action.

Our Cause

As Gold Star Mothers we honor the memory of the Fallen by serving our country and community through volunteering. We promote respect for one another and our nation. We extend emotional, peer and resource support to all Gold Star Family members. We support and perpetuate the honorable and noble principles that each of our loved ones fought and died to uphold. We fully support all branches of the military and recognize each serves an important role in the defense of this nation. We also work together to support other veterans groups, and military related causes.

We are considered a service organization. We reach out to help veterans in this state. Through this outreach we help to accomplish the ultimate goal, which is to ensure our sons and daughters are not forgotten.

We honor our children through service.

Donations welcome to continue funding our important projects.
